Following the payment of the booking fee, the remaining balance is to be paid on or before the date of the event.

General

All photography is carried out by Jarrett Truscott from Truscott Photography. In the unlikely event of personal illness or other circumstances beyond control, every effort will be made to arrange a substitute photographer to fulfil the obligations of photography contracted. The time that Truscott Photography is in attendance at the event will be arranged before the event and no alterations can be made on the date of the event.

Due to the limited and subjective nature of any event, Truscott Photography cannot be held responsible for:

- Requested photographs being missed due to weather conditions
- Schedule complications caused by but not limited to, anyone in or at the event or by the church or location restrictions.
- Lost photo opportunities due to other cameras or flashes, closed eyes, subjects not looking at the camera, wind blown or otherwise styled hair, the lateness of the bride, groom, or other principles.
- Traffic conditions enroute and in between wedding venues.

Truscott Photography will do its best to fulfil all requests but cannot guarantee all images will be delivered exactly as requested.

The client allows the photographer to display any images included in this contract in their studio, portfolio, literature, website, wedding exhibitions and advertising. Truscott Photography will not use the images for other commercial reason except with the written permission of the client.

All of the photographs from the event are kept in file storage by Truscott Photography for at least one year from the date of the event. After this the back-up discs may be the only back-up source of your images. Selection of images for albums should occur within one year from the date of the event. Albums created outside this time could be subject to price increases.
